FACEBOOK FUNDRAISER HOW-TO

WHY -

- Your fundraiser will provide life-changing programs and supplies to our students!
- IT'S FREE!
- It's easy to set up!
- All funds raised will come directly to SAVE. Facebook does not take a percentage!
- There's high visibility. All of your friends will be notified about your fundraiser!

HOW -

- Follow this link: <https://www.facebook.com/fund/SaveProgramOmaha/>
- This link should automatically pull up a fundraiser box
- Fill in "Why are you raising money?" Feel free to personalize this. Consider what about our mission or services speak to you.
- Click "create" and invite your friends! If you invite your friends, they will receive a notification.

TIPS -

- Get personal: let people know why you are invested in SAVE!
- Your goal should be obtainable. \$250 is generally a great place to start.
- Encourage friends to share, especially if they have donated!
- Create additional visibility by changing your profile picture, sharing your fundraiser, posting progress updates, thanking everyone who donated, and sharing what SAVE is all about!
